As a 501(c)(3) non-profit parent organization, Florida PTA is required by the IRS and federal and state laws to have these compliance documents and information listed above for each subordinate PTA/PTSA unit on their Group Exemption List, GEN 2149. By meeting these requirements on the due dates specified, your PTA will not only remain in good standing, but your unit will also be eligible for National PTA and Florida PTA awards and participation in other PTA programs such as Reflections and Scholarship. The IRS imposes fines and penalties for exempt organizations that do not comply with annual 990 Federal Income Tax filing requirements, regardless of whether or not they have a parent organization. Numerous local units have been able to refute an IRS fine or penalty because the Florida PTA office was able to produce the required document(s) that a local unit was unable to locate. If you have any questions regarding compliance, please contact Florida PTA by email compliance@floridapta.org or call 407-855-7604 or 1-800-373-5782.
