

Virtual Meeting and Election Guidelines through June 30, 2020

Before scheduling a virtual meeting, determine what PTA business is required at this time. Elections may only be conducted via virtual meeting.

Like an in-person meeting, the virtual meeting should be for the purpose of making reports to the membership and conducting PTA business. It should include approval of prior meeting minutes, presenting financial, executive board, and committee reports, as well as voting on items such as budget amendments, approval of the 2020-2021 budget, and elections.

While the President is conducting the meeting, other Executive Board members should be prepared to do their part to protect the rights of members, capture voting, and keep the meeting running smoothly.
