# COST AND ELIGIBILITY

Cost is based on household size, annual income and age of the child.

- **Many families pay \$15 or \$20 per month for all eligible children in the family!**
- **Plans are available for all income levels!**

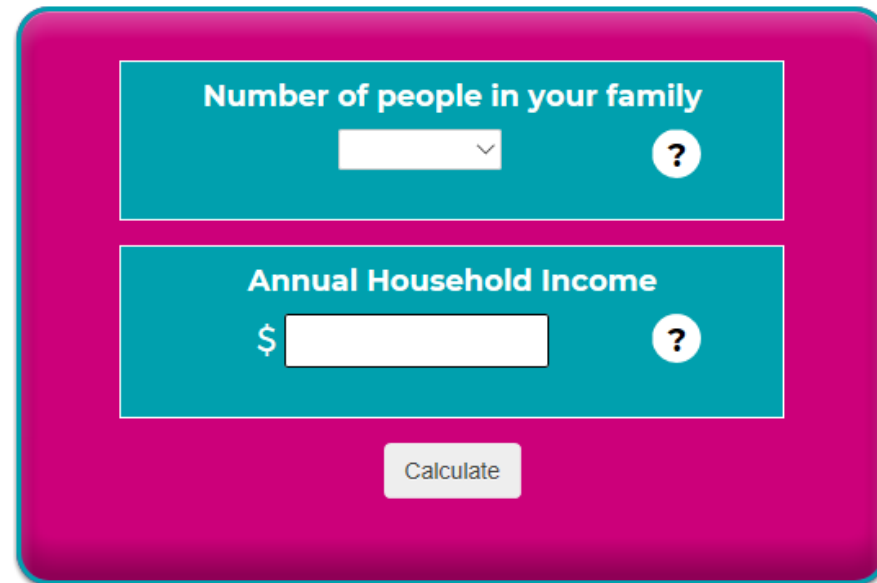

To qualify for low-cost Florida KidCare coverage, a child must:

- Be under age 19
- Be a Florida resident
- Be a U.S. citizen or lawfully residing immigrant
- Not reside in a public institution

# ARE YOU PAYING TOO MUCH FOR INSURANCE?

Estimate your costs at [floridakidcare.org](http://floridakidcare.org) in two easy steps:

1. Entering the number of people in your family
2. Entering your annual household income

The image shows a digital form for estimating insurance costs. It is set against a dark teal background. The form consists of two main input sections, each with a white header and a white input field. The first section is titled "Number of people in your family" and features a dropdown menu with a downward arrow and a question mark icon. The second section is titled "Annual Household Income" and features a text input field with a dollar sign (\$) on the left and a question mark icon on the right. Below these two sections is a white "Calculate" button.
