

Courtney Walker is currently serving as the Interim State Coordinator for the Florida Department of Education's (FLDOE) Florida McKinney-Vento Program (FLMVP). She has been with the program for four and a half years. Ms. Walker has been with FLDOE for nearly 16 years previously working in the Office of Healthy Schools, Bureau of Curriculum and Instruction, and the Migrant Education Program. In her current role, Courtney assists local school districts serving students that are experiencing homelessness through addressing identification and barriers to regular school attendance and academic achievement.

Ms. Walker is a graduate of Florida State University earning a Bachelor's in Information Studies and Master's in Educational Policy with certification in Program Evaluation. She has a passion for all needs of children and youth being met especially students that are overlooked and underserved. In her spare time, Courtney enjoys spending time with her family and friends, traveling, writing, exploring the outdoors, and mentoring.
